Bus on Rental in Mumbai: Your Complete Guide to Hiring the Right Vehicle

Need bus on rental in Mumbai for corporate trips, weddings, or school picnics? Call S N Tours Travels at 9820481984 for AC buses, mini buses & more.

Mumbai moves fast. Whether you are coordinating a 50-person corporate offsite or a family pilgrimage, getting everyone there together — comfortably — is the real challenge.

Bus on rental in Mumbai has become the most practical solution for group travel across the city, whether your group is heading from Naigaon to Navi Mumbai, from Borivali to a wedding venue in Thane, or from Andheri to a Pune day trip. S N Tours Travels, based in Naigaon East, has been serving Mumbai's group travel needs with a diverse fleet ranging from compact tempo travellers to full-size 50-seater AC coaches.

What Size Bus Does Your Group Actually Need?

Choosing the wrong vehicle size is one of the most common booking mistakes. Too small, and passengers are cramped. Too large, and you are paying for empty seats.

Here is a straightforward breakdown:

By Group Size

- 10–15 passengers: Force Urbania on Rent in Mumbai or a Hire Deluxe Tempo Traveller in Mumbai is ideal. Both offer luggage space, reclining seats, and AC comfort.
- 16–25 passengers: A 20 Seater Bus on Rent in Mumbai covers school groups, small corporate teams, or extended family outings without overspending.
- 26–30 passengers: The 27 Seater Bus on Rent in Mumbai works well for mid-size weddings, dealer meets, or cultural group tours.
- 35–40 passengers: A 37 Seater AC Bus on Rent in Mumbai is the most popular corporate hire size — enough room for a full department with bags.

- 45–55 passengers: Go with a 50 Seater AC Bus on Rent in Mumbai for college trips, large wedding baraat processions, or multi-day pilgrimages.

Popular Occasions That Drive Bus Rentals in Mumbai

Bus on rental in Mumbai is not limited to one type of event. S N Tours Travels regularly provides vehicles for:

Corporate travel — employee pick-up and drop, annual day outings, client visits, factory runs between Mumbai and Pune or Nashik.

Weddings and social events — moving guests between banquet halls, hotels, and ceremony venues. A Mini Bus on Rent in Mumbai is particularly useful for wedding logistics when multiple smaller groups need separate pickup points.

School and college trips — day picnics to Imagica, Lonavala, or Alibaug, requiring drivers who know safe routes and have experience with young passengers.

Religious yatras — Shirdi, Tirupati, Ashtavinayak tours from Mumbai where the journey itself matters as much as the destination.

Airport transfers — groups travelling to Chhatrapati Shivaji Maharaj International Airport who need reliable, punctual pick-up.

Why Luxury Car Rental and Tempo Traveller Options Matter

Not every group needs a bus. S N Tours Travels also offers Book Toyota Innova in Mumbai for smaller groups of 6–7, and Luxury Car Rental in Mumbai for executives, newlyweds, or VIP transfers where comfort and appearance are priorities.

When corporate clients need a mixed fleet — say, one bus for the team and an Innova for the management — having a single vendor handle both simplifies billing, coordination, and accountability.
